PatentAttorney's Docket No. P-082-US3**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE**

In re Patent Application of

GRIFFIN et al.

Application No.: 10/824,005

Filed: April 14, 2004

For: PROTEIN KINASE INHIBITORS

Group Art Unit: 1624

Examiner: to be assigned

**REQUEST FOR A CORRECTED FILING RECEIPT**

Office of Initial Patent Examination's  
Filing Receipt Corrections  
Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicants request correction of the filing receipt mailed on June 24, 2004 for the above-identified application.

Please correct the Filing Receipt by making the following changes:

1. Under the heading "Domestic Priority Data as claimed by applicant", the filing date of U.S. Provisional Application Serial No. 60/266,316 should be changed to --December 8, 1999--

Attorney Docket No. P-082-US3  
Application Serial No.: 10/824,005

Page 1 of 2

and the incorrect data "08/18/2000 ABN" should be deleted. (A copy of the filing receipt with the changes noted thereon is attached.)

The above-identified application claims priority to U.S. Provisional Application No. 60/266,316 which was converted pursuant to 37 C.F.R. § 1.53(c)(2) from U.S. Patent Application No. 09/456,594, filed December 8, 1999. Under 37 C.F.R. § 1.53(c)(2), "an application for patent filed under paragraph (b) of this section may be converted to a provisional application and be accorded the *original filing date of the application filed under paragraph (b) of this section.*" (italics added) The original filing date of 09/456,594 is December 8, 1999. Therefore, the filing date of U.S. Provisional Application No. 60/266,316 is also December 8, 1999.

Applicants respectfully request that a corrected filing receipt be sent.

Should there be any questions concerning the cited documents, the USPTO is encouraged to telephone the undersigned agent for Applicants at (650) 808-6144 (direct).

Respectfully submitted,

THERAVANCE, INC.

## FILING RECEIPT

\*OC000000013051588\*

Date Mailed: 06/24/2004

Receipt is acknowledged of this regular Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Filing Receipt Corrections, facsimile number 703-746-9195. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

---

**LICENSE FOR FOREIGN FILING UNDER  
Title 35, United States Code, Section 184  
Title 37, Code of Federal Regulations, 5.11 & 5.15**

**GRANTED**

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

**NOT GRANTED**

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
